LETTER

This is in response to the notice filed by facsimile on July 24, 2009, for acceptance of a fee deficiency submission under 37 CFR 1.28.

Your fee deficiency submission under 37 CFR 1.28 is hereby **NOT ACCEPTED**.

It appears that the petition was not properly signed by a person having authority to prosecute in the above-identified patent. Therefore, the request can not be accepted at this time.

Petitioner's attention is directed to 37 CFR 1.33(b), which states.

(b) Amendments and other papers. Amendments and other papers, except for written assertions pursuant to § 1.27(c)(2)(ii) of this part, filed in the application must be signed by:

- (1) A registered patent attorney or patent agent of record appointed in compliance with § 1.32(b);
- (2) A registered patent attorney or patent agent not of record who acts in a representative capacity under the provisions of § 1.34;
- (3) An assignee as provided for under § 3.71(b) of this chapter; or
- (4) All of the applicants (§ 1.41(b)) for patent, unless there is an assignee of the entire interest and such assignee has taken action in the application in accordance with § 3.71 of this chapter.

The file does not indicate a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

Accordingly, the request cannot be accepted until it is signed by all inventors, an attorney/agent who is registered to practice before the U.S. Patent and Trademark Office, or the assignee of the entire interest. If the request is signed by an assignee, the assignee must comply with the requirements of 37 CFR 3.73(b).

Inquiries concerning this communication should be directed to the undersigned at (571) 272-3213.

A handwritten signature in black ink, reading "Cheryl Gibson-Baylor". The signature is fluid and cursive, with the first name "Cheryl" being the most prominent.
